

EAR MUFFS

pounding forces,
can't turn off.
can't control me.
I cannot know about real places.

one brief pause.
or two brief pauses
or three.

MOOD
depression
outside too quiet
silence crushing all-that-is-near aporia.

Rashness.
Caution.

Desire.
insularity and irreconcilable voids.

- I lose it so easily, the hardness of the walls it doesn't resound, and voices behind the walls.

Fig. 13.3 Ear Muffs
