

translation of every *into English*

Dessert

where were we?
oh yes, you were saying how I spoke with no boundaries.

-I seek for meaning, but not to demean you

Sorbet

Sour, icy cold and sweet.

honesty

I cannae fully understand you,
You cannot fully understand me.

RESTRICTED ENTRY, skin of the text, of what I say,
that is.

Then what is honesty?
[expression crosses over from person to person.]

Compote

Is it alright to make what I say palatable to *you*,
so that you understand what I say.

Mousse

In which I think sometimes there is no point in being *honest*
any more.

Just be absurd.

Conserve

Conservative notes:

Conserve what I say. In sweetness of mind.
garbled nonsense. fl → ° · · · > || · · · * U ° Ö I ‡

Tart

I want to be a bit silly.

And by voicing this, I am subjecting myself to a different set
of parameters.

I will say what i feel like saying.
