handle

Touch. [Sensation of pressure.]  
feeling

Touch this absurd world  
or grate it with your fingers.

Numbness [Insensibility to touch]  
anaesthesia: pins and needles.

numb; deadened; intangible, impalpable.  
Skin being pricked for blood, but hair  
comes out.

Grater

seeing – tasting/feeling while you see  
don't have to take my explanations

Fig. 2.3.1 Grater
