

TIMELESS CLASSICS

- **Word**

IF A WORD WAS FULL.

If a word was full, if a word was full we didn't know if it was a noun or a verb.

It could be one or the other.

Word

The word the word

Perhaps when language is inadequate, it sometimes turns into something else becomes metaphorical.

Where did words come from? What is the limit of a word?

THERE IS NO SEPARATING THE WORD FROM THE IMAGE/OBJECT.

Word/object

Word/image

(Images can be mental representations)

Drawing gold

The influence of language on thought

The influence of thought on language

No, the ways in which we can use language affects the way we think.

Flying, buying. Associative assonances.

Stop! Do you really understand?•
