This program cannot guarantee that viewers of output will see everything you see.
The flow on effects of this entails that:

**FOR REASONS OF COMPANY SECURITY,
WE MAY NOT DIVULGE HERE WHAT CAN
BE QUITE ADEQUATELY GUESSED AT.**

the painting program is not responsible for a discourse that can be described of as being permanently fixated on the investigation of the definition and limits of what constitutes as painting.

An idea isn't responsible for the people who believe in it.

This program is uninstalleable. To date, we have not written software to uninstall the program. Any such attempted uninstallation performed will need to involve Amnesia, who is currently unavailable to people who have not had a particular head injuries.

WARNING:

Do not involve yourself in PAINTM if you are susceptible to fickle-mindedness, restlessness or due for an ideological paradigm shift. In fact, do not involve yourself in anything, except THINKTM which we highly recommend. You may however, paint to stem the tide of nothingness by thinking that everything you do, including eating, is painting, as the most important thing remains that there be something to paint with, and something to paint on.
