

# HINTS & TIPS

## Language and Painting:

The rhythms of language are translatable into the rhythms of painting.

where:

rhythms=structural affordances.

\*calligraphy and the pulse of life and clouds and toy trains

## Paint Rhymes On Canvas Ground, With both foreground and

background assonances, repetition  
and onomatopoeic similarities,  
poetic conventions and painting  
ones as well as well  
regular verses and irregular versus.

## Metaphor For Cultural Saturation.

Put more ink until the paper breaks.

## Translate A Jackson Pollock Painting Into Words.
