

Memory

Extension Of Thought

HOUSE AUCTION

Memory-the Notion Of A Self Depends

The house had been painted over on the inside. This is my home-or where my childhood memories remain unsullied, unforgotten, untampered with because it is still there, but **also unreferenced in my day to day life because I live in another country.**

[Nullibery] Absence: emptiness, void, vacuum; vacuity, vacancy; play truant.
 hissing; lost; wanting; vacuous; untenanted, unoccupied, uninhabited; deserted; devoid; -in the hope to again and make our absence sweet

gone, from home;

It seems that all they talk about in Malaysia is politics and food. No video played that very last night...my grandmother had videos played every night – chinese serials – because she was an invalid for the last ten years of her life.
The Indonesian maid sleeps alone now. unpresenced grandmother.

Oblivion.
Faded memories abstracting presence.

Situation:
Explore relationship between place and person.
And other selves that may exist.

forgetting nostalgia...

Presence.. .wherenes: find oneself,

Empty house.
Watched water against window.
wind
Ice on window.
thoughts run
and I am happy by myself.
